

Festive Family Feasts at THE PIG-at Bridge Place

BIG TABLES, BIG PLATES, BIG FLAVOURS...
£60 a head for tables of 18 or more!

Where?

Situated on our Chef's Tables, our December Family Feasts are comprised of large antique platters of Chef's Choice Dishes (with a little guidance from the guests). This style of dining is to encourage sharing and to make it easy for all to enjoy a little piece of THE PIG in a comfortable relaxed environment and to get in to the festive spirit!

How?

To allow Chef his full creative prowess, he takes control of the food platters, but we do ask you to give your preferences for which main course options you'd like (is it meat and veggie? Fish and meat?) & pudding.

For those guests with dietary requirements & allergies, they will absolutely be a part of the action, but we must know of these in advance. We will serve individual plates for their comfort.

Starters will be driven by fresh garden produce, local suppliers and will feature 3 plates; one meat, one fish & one vegetarian.

Main courses are summarised into meat, fish or vegetarian; with you being able to choose 2 options. For example, meat & vegetarian, or meat & fish. During December we will also be featuring a 'Festive Bird' option. Please note that this would take the place of your "Meat" choice but please specify if you would prefer to avoid this.

Pudding is simple. Chocolate or fruit? Our pastry team will then devise a sumptuous festive treat to finish off your meal based on your choice, including mince pies!
