Fieldhouse Treatments & Wellbeing

Massages and facials from £125 for 60 minutes, or from £155 for 90 minutes

Luminance Brightening Facial

A luxurious treatment designed to even out the skin's complexion, tone and appearance for a radiant glow. An exfoliating massage delivers ultra-refined luminosity and provides intense hydration for a youthful look and feel. Packed with the brightening benefits and relaxing scent of Orange Blossom, you will leave refreshed and rejuvenated. Upgrade to a 90-minute treatment to start your facial with a deeply relaxing back, neck and shoulder massage, with or without hot stones.

Classic Sculpt Prescriptive Facial

Perfectly tailored to meet your skin's unique needs. This treatment includes a facial massage designed to contour and sculpt, leaving your skin visibly plump and lifted. Your therapist works with traditional Gua Sha stones to refine and relax stressed-out skin, promoting a naturally radiant and hydrated healthy complexion. Upgrade to a 90-minute treatment to start your facial with a deeply relaxing back, neck and shoulder massage, with or without hot stones.

Upper Body Unwind

This personalised massage targets your back, arms, face and scalp. Your treatment begins with a warm exfoliation of the back, followed by a soothing massage, and finishes with a facial where your skin is thoroughly cleansed and treated with a facial balm perfectly tailored to your needs. Upgrade to a 90-minute treatment and feel the stress melt away as your therapist delivers a soothing massage to promote deep restoration and muscle relief.

Bespoke Massage

Indulge in our bespoke full body massage, where we craft a personalised experience just for you. Our skilled therapists use a carefully blended selection of natural oils to help your body and mind really relax, and tailor the massage to make it truly unique and personal to your specific needs. Upgrade to a 90-minute experience to include a facial massage with one of our specialist facial oils for the ultimate head-to-toe experience.

Hot Stone Massage

This deeply indulgent treatment combines the power of aromatherapy oils and volcanic hot stones to help melt away any tension you may be holding onto. Hot stones help to ease your stress and improve blood circulation, leaving you feeling rejuvenated and revitalised. With each stone movement being equivalent to 10 hand movements, you can trust that this massage will provide a truly luxurious and therapeutic experience for your body and mind. Upgrade to a 90-minute experience to include a divine facial massage with one of our specialist facial oils to complete your top-to-toe experience.

Mum to Be

Melt away in this truly luxurious massage - it's the ultimate relaxation for mums to be. Your bump is treated to a gentle exfoliation, cleanse and a nourishing remedy balm designed to improve skin elasticity while you enjoy a soothing scalp massage.

*(Suitable for those in their second and third trimester.
This treatment is available for 60-minutes only)*

Hand & Foot Treatments

We use UK based 'GelBottle' polish to look after and nurture your nails whilst giving you beautiful colour all at the same time. Every product is 100% vegan and PETA-certified cruelty-free.

60 min Gel Manicure - £55

Your manicure starts with cuticle care and nail shaping before the nails are painted with very thin layers of gel overlay. After each coat, the nails are placed into an LED lamp to set within 30 seconds. Once completely dry, your treatment will finish with a gentle exfoliation and hand massage.

60 min Manicure - £45

This treatment includes exfoliation, cuticle work and a hand massage. Your nails will be beautifully shaped and polished with a nail varnish of your choice.

60 min Gel Pedicure - £65

Your pedicure starts with cuticle care and nail shaping before the nails are painted with very thin layers of gel overlay. After each coat, the nails are placed into an LED lamp to set within 30 seconds. Once completely dry, the feet will be scrubbed to remove any hard skin, and the treatment will finish with a foot massage.

60 min Pedicure - £55

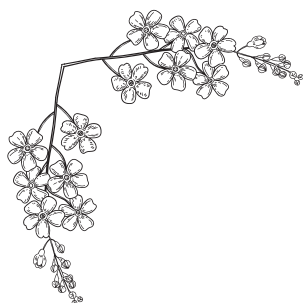

This treatment includes hard skin removal, a nourishing and conditioning foot scrub, followed by cuticle care and a foot massage. Your nails will be beautifully shaped and polished with a nail varnish of your choice.

30 min Gel removal - £10

Your gel polish will be gently removed by your therapist before shaping your nails, giving the cuticles some love and finishing with a moisturising balm.

** Please ensure you book a gel removal service if you will be wearing gel at your appointment.*

** Pedicures are carried out in the treatment rooms.*

Wraps & Scrubs

Salt Glow Exfoliation & Massage

60 minutes - £95

Sink down into pure bliss with a deep, full body exfoliation and massage using Himalayan pink salt and natural white sea salts to refine and smooth your skin, leaving it feeling super soft and hydrated. After showering off the exfoliation, relax with a gentle massage that will envelope you in a haze of botanical fragrance that deeply nourishes and nurtures your skin. You'll emerge feeling rejuvenated and glowing from head to toe.

Muscle Recovery Wrap

90 minutes - £135

Experience deep relaxation and relief with our customised body wrap treatment designed to improve sleep and reduce muscle pain. Harnessing the incredible power of magnesium and turmeric, this treatment targets specific areas of muscle and joint pain, boosting relaxation and soothing pain relief. An anti-inflammatory lavender mask will be applied to the body to calm your muscles, while your therapist gives you a relaxing foot massage that will leave you feeling fully rested and refreshed.

Digest & Detox Wrap

90 minutes - £135

Designed to revitalise your body and boost digestion, this treatment begins with a luxurious superfood body scrub to smooth and refine your skin's texture, followed by a body mask packed with vitamins, nutrients and antioxidants to reduce inflammation, stimulate collagen production and tone your skin. While wrapped in the mask, enjoy a reflexology-inspired foot massage to aid digestion and relaxation. After showering, your treatment will finish with a nourishing oil massage to leave skin feeling deeply hydrated.
