Welcome to the Pig in the Cotswolds Bar! Like our restaurant, our aim is to provide good quality products in the most local & resourceful way possible. Please ask us about the local breweries & distilleries we love to use. We list a selection of our own cocktail creations but please ask away for any classics you may fancy and our team will be happy to make them for you.

We hope you enjoy the drinks & service. We add a suggested 12.5% service charge to your restaurant bill. If the service wasn't up to scratch, don't pay for it but do let us know what we could do better

### Home Grown Cocktails

Yes, of course, we also make the classics, so please ask away!
